

ZAPATO POWER

One day Freddie Ramos finds a box just for him with zapato power inside! Now he helps his neighborhood with his superpowered sneakers.

Freddie loves his superpowered shoes—but now they're too tight! So Mr. Vaslov invents a new pair for him. Will they be as super as his old sneakers? Before Freddie can test them out around the neighborhood, it's time to catch the bus to New York City to visit his Uncle Jorge!

The city is exciting, but when something goes wrong with the big surprise Uncle Jorge has planned, can Freddie and his new zapatos save the day?
